

A Halloween-themed illustration featuring a large, glowing full moon in a dark blue night sky. In the center, a dark, multi-story house with a pointed roof and a chimney sits on a dark mound. The house has several windows and a central arched doorway, all of which are illuminated from within, casting a warm orange glow. Silhouettes of bare trees are on either side of the house, and several black bat silhouettes are flying in the sky. At the bottom of the image, two glowing jack-o'-lanterns with orange faces and mouths are positioned on either side of the central text.
